COLUMBIA

DEPARTMENT OF BOTANY

March 2, 1937

Dear Curt-

A short time ago Stader received a group of  
reprints from you. I have waited for my batch to arrive  
but they have not come - thus this note. I have not received  
any of your reprints since 1932. If you have any  
extra copies I would appreciate having them.

Things here are going quite well. I have been very  
busy with Teaching and have not been able to spend much time on  
my own work. The class is excellent - as good as I have  
ever had - which makes my part in it worth the effort.

My best to Evelyn -

Sincerely,

Barb.
